

D&K Film Rewards Program

What is D&K's Film Rewards Program?

It's simple - whenever you buy film, points are accumulated automatically. There is no contract to sign and nothing to sign up for - just buy film like you have been doing and we do the rest!

How much film do I need to purchase to obtain points?

You earn back 2% of the film you purchase. For example, if you buy \$1000 worth of film, you will receive 20 points.

What can I use my points for?

Points can be redeemed at any time toward upgrades on preventative maintenance or parts for equipment purchased directly from D&K. Points are not redeemable for film.

Is there a time frame in which I am required to redeem my points? Do points expire?

Yes, your points do expire. You may redeem your reward points for up to 24 months from the date of issue.

How can I find out how many points I have accumulated?

Simply call your Sales Representative and ask. They will be able to tell you how many points you have and can help you redeem them when you're ready.
