## D&K Group Re-launches the 500T Mechanical Press

**Elk Grove Village, IL – (April 12, 2019)** – D&K Group, Inc. proudly re-launches the model 500T Mechanical Press. The 500T Mechanical Press is designed for mounting and laminating artwork, photos, and other images up to 51" wide by any length. The 500T features analog thermostat controls to simplify operation and reduce potential digital component malfunctions.

The 500T Mechanical Press contains a 26" x 34" heated platen surface and accommodates substrates up to 1" thick. It is compatible with most dry mount tissues, heat assist laminating films and heat-activated substrates including foam boards. The mechanical press also features a durable steel frame designed for long-term performance and durability.

The 500T is made in the USA and is U/L listed and CU/L approved for use with 120 Volt, 12 Amp power. Each unit includes a manufacturer-backed 12 month parts/ 6 month labor warranty. 500T Mechanical Presses are available for purchase through D&K's authorized dealer network. Contact D&K Group directly to locate a local equipment dealer.

For artwork or more information on the 500T Mechanical Press, contact Brian Biegel at 800-632-2314 or [brian.biegel@dkgroup.net](mailto:brian.biegel@dkgroup.net).

D&K Group, Inc. is a worldwide manufacturer of laminating films and equipment.
