

High-quality window graphics are made simple with D&K's window graphic solutions. Simply apply an optically clear mounting adhesive to the face of a print, remove the protective release liner and apply to glass, acrylic and more. Use two-sided images and apply a protective laminate to the back of the print for graphics that can be viewed from the front and back.

Instructions on Making a Window Graphic:

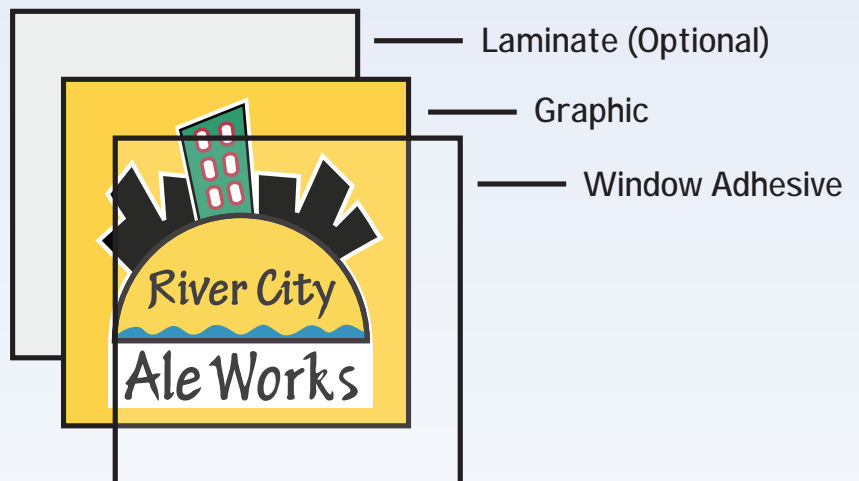

- Apply the permanent side of an optically clear adhesive to the face of a print.
- [Optional] Apply a protective laminate or backer to the back of the print.
- Remove the release liner and apply the optically clear mounting adhesive to the window/ acrylic. Move from the center of the graphic outwards, using a squeegee or similar object to smooth out any trapped air pockets.

Apply an optically clear adhesive to the face of the print

[Optional] Apply a laminate to the back of the print

Window Graphic Composition

Recommendations

- 1) Ensure that the print is completely free of dust and other contaminants. Any debris on the print will be visible in the window graphic. Thoroughly clean the window/ acrylic with soap and water before applying window graphics.
- 2) Mount graphics with a D&K Optically Clear Removable Adhesive (OCR/EOCR). If there are any issues in the production process, the graphic can be safely removed and the window/ acrylic can easily be re-used.
- 3) Use two-sided prints for window graphics that can be viewed from the front and back.

D&K Window Graphic Adhesives

Optically Clear Removable - OCR

This double-sided mounting adhesive is optically clear and features a removable side for temporary mounting applications to glass, Plexiglas, etc. The removable adhesive offers a solid bond but is designed to be easily removed within six months of application. This product includes UV inhibitors that reduce the effects of damaging rays.

Optically Clear (Removable)

Part #	Roll Size
OCR41200	41" x 200'
OCR51200	51" x 200'
OCR61200	61" x 200'

Brilliance Window Adhesive - EOCR

Brilliance Window Adhesive makes mounting high-quality window graphics simple. EOCR features a textured air escape liner that allows for easy handling and bubble-free installation that can be accomplished without any sprays or chemicals.

Brilliance Window (Removable)

Part #	Roll Size
EOCR25025	25" x 25'
EOCR51150	51" x 150'
EOCR54150	54" x 150'
